BOOK SYNOPSIS

For fans of magic schools, fantastical creatures, and harem comedies comes Dragonar Academy, an ongoing manga series about a boy who is trying to tame an unruly-and very pretty- dragon. Dragonar Academy began in Japan as a popular light novel series and has since been adapted into an ongoing manga series, as well as an anime series that debuted in early 2014. Dragonar Academy is sure to appeal to fans of comedic fantasies like Zeros Familiar and The Sacred Blacksmith. Each volume is delightfully illustrated and includes color inserts. Learning to ride and tame dragons comes easy to most students at Ansarivan Dragonar Academy-except for first-year student Ash Blake, who is known by his fellow classmates as the "number one problem child." Poor Ash is the laughingstock at school because, despite his unfashionably large star-shaped brand that marks him as a future dragon master, he has nothing to show for it. His dragon has never appeared. Until now, that is. One fateful day, Ashs dragon awakes in full glory but appears different than any dragon ever seen before-in the form of a beautiful girl! Whats worse, Ash soon discovers that this new dragon has attitude to spare, as she promptly informs him that she is the master, and he, the servant. Ashs problems with dragon riding have only just begun.
