BOOK SYNOPSIS

Cissie Rivers finds herself jealous of her best friend, Cindy, for the first time in her life. Cissie's always been smart, pretty, and a wonderful singer, but Cindy has found love, and Cissie is still alone. She isn't sure how much longer she can wait for matchmaker, Lachele, to find her perfect man. Patience has never been one of her virtues. Deputy Sheriff, Bob Anderson, takes one look at Cissie Rivers and knows she's the woman he wants to spend the rest of his life with. The only problem is, he can't seem to approach her. Every time he even thinks about it, his tongue swells in his mouth so he's certain he'll start stammering. When he finds out that Cissie is waiting to be matched by Lachele, he contacts Matchrimony immediately. Will Cissie be able to forgive him when she realizes he's engineered the match? Or will she opt out of their marriage after the first year is up?
