BOOK SYNOPSIS

In celebration of the 40th anniversary of its publication Here are the confessions of a vampire. Hypnotic, shocking, and chillingly erotic, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write. Look for a special preview of Anne Rice's Prince Lestat in the back of the book. The Vampire Chronicles continue in Prince Lestat and the Realms of Atlantis, available for pre-order now. Praise for Interview with the Vampire "A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire."—Chicago Tribune "Unrelentingly erotic . . . sometimes beautiful, and always unforgettable."—Washington Post "If you surrender and go with her . . . you have surrendered to enchantment, as in a voluptuous dream."—Boston Globe "A chilling, thought-provoking tale, beautifully frightening, sensuous, and utterly unnerving."—Hartford Courant From the Paperback edition.
