## BOOK SYNOPSIS

Here's the thing about cupcakes (and life): if you change even one ingredient, you end up with a whole new taste. A dash of cinnamon here, a chip of chocolate there, a topping of meringue, a swirling of buttercream - it's not just sugar, spice and everything nice. Maahi discovers this and more in the unexpectedly intimate treasures of a baker's hat. She has emerged from a heartbreak that left her shattered four years ago. And she's found peace and joy, a career and love. But when the past comes knocking on her door, her life is turned upside-down once again. What will Maahi do when she is torn between her head and her heart? Charged with emotion and romance, *Like a Love Song* is about the sort of love that consumes and sears and takes you over ... and about the healing powers of true passion.
