## **BOOK SYNOPSIS**

The predominant message in our culture is that its okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasnt taken it far enough. God wants couples to make love in marriage-with passion, with purpose, and with pleasure. Marriages arent experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with each other regularly-the kids, the career, the house, the errands, etc. **SEXPERIMENT** shows people that sex in marriage is more than just sex, and its more than a chore. The Youngs believe its time to get back to understanding the context of sex in marriage and that its time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. **SEXPERIMENT** will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks!
