## BOOK SYNOPSIS

Showcasing cutting-edge underwater photography from the world's leading marine and nature photographers, *The Life & Love of the Sea* is a breathtaking visual tour of the ocean's great diversity. Readers will experience land meeting sea with images of dramatic coastlines, barrier reefs, and island chains, as well as the spectacular power of the ocean through a stunning collection of wave photographs. Offering an extensive survey of the ocean's many fascinating inhabitants, Blackwell presents incredible images of everything from whales to manta rays to seals to endless schools of fish to the creatures that reside in the deepest recesses of the ocean floor. The book also makes available bonus footage via a scannable QR code from multi-award-winning underwater cameraman Steven Hathaway.
