BOOK SYNOPSIS

There is a secret organization that cultivates teenage spies. The agents are called Love Interests because getting close to people destined for great power means getting valuable secrets. Caden is a Nice: The boy next door, sculpted to physical perfection. Dylan is a Bad: The brooding, dark-souled guy, and dangerously handsome. The girl they are competing for is important to the organization, and each boy will pursue her. Will she choose a Nice or the Bad? Both Caden and Dylan are living in the outside world for the first time. They are well-trained and at the top of their games. They have to be - whoever the girl doesn't choose will die. What the boys don't expect are feelings that are outside of their training. Feelings that could kill them both.
